

## VS Office Furniture: Crafting Workspaces Beyond Boundaries

A Malaysian workspace furniture leader, VS Office Furniture (Malaysia) Sdn Bhd, founded in 1987, holds three decades of industry expertise in furniture production and distribution. Serving national dealers and set to conquer global markets, it is also a green company aiming to minimize environmental impact.

Strategically located in Telok Panglima Garang, it has excellent connectivity to highways and Port Klang – Malaysia's busiest seaport, just 35km from Kuala Lumpur International Airport and 40km from KL's City Center.

Spanning 650,000 sq. ft., it has two fully integrated factories, a warehouse, and a production workshop that employ 500+ workers, with ongoing expansion.

VS Office Furniture is your integrated solution, covering production, research and development, design, sales, and more, ensuring an all-inclusive furniture sourcing experience.
