

Inter Sofa Industries Sdn Bhd

The Expert Furniture Manufacturer & Exporter

Inter Sofa Industries boasts years of experience in the production and global exportation of high-quality furniture. Their collection encompasses a blend of European and American traditional designs, as well as modern and classical styles for bedrooms, dining rooms, living spaces, and upholstery sets. Beyond that, they exclusively manufacture for customers who are seeking to bring their unique design ideas to life.

The company is committed to delivering the top-grade furniture, prioritizing excellence in quality, safety, comfort, and contemporary styles. Each buyer's satisfaction is handled with the objective of nurturing a lasting business relationship.
